**Subject:** Trial of [REDACTED]

Good Afternoon Sonja,

You are the analyst who conducted an examination of the cocaine underlying this case, your reference number is [REDACTED]-[REDACTED]. We have been sent out for trial on this matter, but, realistically, I do not expect we will get to it for at least another week. Are you available next week? Do you have any availability issues in the month of April?

Of course, we will make any accommodations possible, such as putting you on call, but is there anything else we can do to optimize your time?

Thank you!!
